

Pupil premium grant (PPG) expenditure

Pratts Bottom Primary School will ensure that the additional Pupil Premium funding makes a significant impact on the education and lives of the pupils it was provided for.

The Pupil Premium will provide additional educational support to improve the progress and to raise standards of achievement and attainment for these pupils.

The Pupil Premium funding will be used to narrow the difference between the achievement of these pupils and the rest of their class.

As far as possible, the school will use the additional pupil premium funding to address any underlying inequalities between children eligible for Pupil Premium and others.

Proposed action and impact

- **A teaching assistant** will be employed to support disadvantaged* children in Year 5 and 6.
- **Breakfast club** will be provided to ensure disadvantaged children receive a healthy start to the day and are in school on time for the start of lessons. It is also hoped that this will support these children in developing social interactions with adults and peers at school, which will transfer into the rest of their school life, raising self-esteem and improving their readiness to learn.
- **Children will be transported to outside agency appointments** where necessary to ensure their needs were being addressed with appropriate expertise.
- **Financial support for school uniform** will ensure that no child lacks good quality, well-fitting uniform.
- **Financial support for extra curricular activities** will ensure disadvantaged children have access to the full range of extra curriculum activities on offer at the school.
- **Financial support for school visits** will ensure all disadvantaged children have access to these invaluable learning opportunities. The school will be supporting two children to attend the residential trip, enabling them to develop social and team-work skills and to excel in sporting activities, thus raising self-esteem and confidence amongst peers.

Action Taken and Impact

- **1:1 targeted tutoring** from a qualified teacher for all disadvantaged children supported these children to make expected or better than expected progress.
- **Breakfast club** was provided to ensure disadvantaged children received a healthy start to the day and were in school on time for the start of lessons. This also notably supported these children in developing social interactions with adults and peers at school, which transferred into the rest of their school life, improving their readiness to learn and raising self-esteem.
- **Children were transported to outside agency appointments** where necessary to ensure their needs were being addressed with appropriate expertise.
- **Financial support for school uniform** ensured that no child lacked good quality, well-fitting uniform.
- **Financial support for extra curricular activities** ensured disadvantaged children had access to the full range of extra curriculum activities on offer at the school. This year, disadvantaged children attended a martial arts club, developing physical fitness, self esteem and self-discipline and an art club.
- **Financial support for school visits** ensured all disadvantaged children had access to these invaluable learning opportunities. In one case, the school supported a child to attend the residential trip, enabling the child to develop social and team-work skills and to excel in sporting activities, thus raising self-esteem and confidence amongst peers.
